Java, Swing

Voice Reminder App

University Project

02/2017 – 04/2017

<https://github.com/riyad-ctg/Voice-Reminder-App>

Java, Swing

Freeminder

University Project

07/2017 – 10/2017

Sends reminder via SMS

Java, Android

INTERESTS

When I am not sitting in front of a computer monitor, I like to disconnect and unwind in the great outdoors. My favorite activities include camping, listening musics, reading books. I volunteer my time once a week to teach college students how to code, and often volunteer with Habitat for Humanity when I get the opportunity.
